

Rise and downfall of homoeopathy in acute conditions

1. Antibiotics
2. Steroids
3. Analgesic
4. Faulty Teaching
5. Only constitutional approach
6. Lack of clinician cum teacher
7. Role of corporate and health industry

Injuries ---sprains---dislocations

- Arnica -
- Rhus tox---so long it is kept moving it is easier
- Bryonia—lifting,--gets sharp pain on movement and slow onset ,pressure ame.
- Pulsatilla—same moda. Of rhus tox, but worm blooded,gentle.tends toget sprains,loose jointed type.
- Ruta –stiffness and weakness after sprains in the neighbourhood of a joints.ar+rt+cp
- Stron carb—weakness plus.recurring dislocation.

Injuries-----conti-----

- Ter .arjuna---
- Xanthoxylum----
- Verbena
- Equisatum arvens

Head and spinal injuries

- Arnica
- Nat sulph
- Opium
- Cicuta
- Betonea off
- Helleborus
- Hypericum
- Polyganum multi
- Pituitary

Sepsis and cellulites

- Apis
- Rhus tox
- Ledum
- Heper sulph
- Ars alb

Tarentula cub

Crotalus horri

Paronychia

- Apis
- Heper
- Ammon carb
- Dioscorea

Perianal inflammation

- Rhus tox
- Calc sulph
- Paeonea
- staphylococcin

Black eye

- Symphytum
- Ledum
- Acid sulph

Acute neuralgia/ trigeminal

- Mag phos
- Colocynth
- Spigelia---orbital neuralgia----strange cold sensation in the affected area(no other remedy) or a red hot needle were stuck into it.
- Paris quadri-----pulling in
- Verbascum----with lachrymation
- Prunus –pulling out, with short breath

- Magphos
- Colocynth
- Kali iod
- Rhus tox
- Gnaphal
- ium
- Plumbum----numbness+constipation+burton's line
- Valeriana
- Tellurium
- Causticum—lachesis—med+syphy+nyctan
- Ammon mur+dioscorea

Colic

- Aconite
- Bell---feeling of fullness in the epigasrrium.attacks are induced or aggravated by any fluid'
- Chelidonium
- Berberis
- Mag phos -+++rubbing
- Colocynth ---constant hard pressure+ irritability+slightly coated tonge (mag phos —clean tongue) +after indignation.,after cheese.
- Dioscorea---kalmia—ipecac---stannum-spigelia

Colic-----

- Lyco—opium—pod—raphanus—stannnum-granatum
puls—acid flour--gelse

headache

- Apis—emotional stress or checking discharge

headache

- Bell —bryonia —chininum sulph —cocculus —gels —melilotus--
--glonoinum —iris-- chionanthus --nux vom —scutellaria —
lachesis —sangunaria —spigelia theridion- aconite —ignatia ---
piper methysticum

Sore throats

- Rhustox ---
- Aurum mur—cold+persistent sore throat.+ulceration during acute stage of cold'.sticky mucus in the throat – difficult to clear away.cilly, flabby with rheumatic pain ,mostly stiffness,mostly at the back of the knees, as if hamstrings are short,stiffness of shoulder.sweat on feet .
- guiacum----dulccmara (with urticaria which burns after scratching and better from cold +onset history.

Sore throat

- Aethusa ----merc(offensiveness) mpi -----mbi –phytolocca – (pain base of tongue when protruded and mostly rt side + intolerance hot drinks .

Baptisia toxic or septic .,solid swallow impossible.swallowing liquid gives comfort,

Painless , vincent angina.

Lachesis ---lyco ----hep sul ---wyethia ---hepatica triloba – kalimur-psorinum --tuber

colds

- Aco –camphor –avena sat --menthol –eupetorium –allium
cepa ----- euphrasia –
- Ars -----ars iod- ocimum s –camphor –avena ferrum phos –
kalimur ---gels .

cold leads to

- Lrt attack -----ipecac -----ant tart ---ammon carb
aco– spon– hep –cina
post cold complication –nosode –abro –kali p –
nat.salicy.solanum lyco –kali bi ---silicea -mezerium--
pulsatilla –kali iod – adonis –lycopus –hydrastis –pyrogen –
alumina –nux vom conium

Oscilloccocinum

Phosphoric acid ---aurum met ---cocculus

Cardiac failure/ccf/angina

- Acute cardiac failure;; a alb,ant tart,c veg,oxa.ac
- Oxalic acid ---collapse +legs and feet feels numb or as if they have no legs at all.want to keep absolutely still , sharp pain in the in the chest –comes through the back –extends up the left side of the the sternum towards the clavicle or down the left side of sternum into epigastrium.

Ccf with dilatation

- Lachesis –naja --lycopus –laurocerasus
- Crataegus (meat) --latro dectus (irritable)
- Angina ---aco –cactus –a alb –iodum –spongia(sensation of swelling of heart-leading to as if it may burst,<lying down.
- Spigelia. –stabbing ---numbness+hyperaesthesia of precordium. Lillium tg ---*hysterical+obs complain +rt arm ext*
